

The "Leave a Mark Ron Ringbom Memorial Golf Benefit", is being formed with the goals of remembering Ron and continuing his legacy, as well as providing funds for two local non-profit organizations. The Emergency Support Shelter and the Longview Community Service Center Food Bank both providing help to those in our community.

For those that did not have the pleasure of knowing Ron Ringbom, he grew up in our community and lived his life as an example of how we should all strive to live. Ron was a devoted husband, father and was well known and loved in our community. Tragically Ron was taken from us in a drowning accident almost 2 years ago. Ron was the clinic administrator for PT Northwest and understood the importance of helping others and giving back to our community. We are organizing this golf benefit to continue Ron's legacy of giving generous support to local needs and causes.

The Emergency Support Shelter is, at times, the only option for women and children in domestic crises. The Longview Community Service Center Food Bank provides food and clothing for local citizens experiencing economic problems in their homes. These two beneficiaries rely significantly on contributions from members of our community. Ron Ringbom was keenly interested in supporting local causes so it is fitting that the tournament bearing his name should raise money for these important organizations.
